ABOUT US

Welcome to Green Trend Landscape, your trusted supplier of premium outdoor and indoor trees and plants. With a focus on trading and distributing exceptional products, we have expanded our presence across all GCC markets, establishing ourselves as the preferred partner for the most premium development projects from a villa to a five-star hotel.

Our strength lies in having immediate availability of products as well as our ability to source any request of any size from our partners across Europe, South America, Africa, and Asia. From Palms, Olives, Baobab, to all types of Cactus trees, we have access to the most unique and distinctive products across the world.

We take pride in our highly experienced global sourcing team, backed by decades of combined expertise, along with our driven logistics and support teams based in Dubai who ensure prompt and professional service for every client.

We strive to lead through efficiency and professionalism, promptly delivering only the finest products and services to the most distinctive developments. Join us and turn your landscapes into remarkable works of art bringing nature's beauty to life in your developments and homes.

WHY US?

HIGH PRODUCT QUALITY ASSURANCE

COMMON AND RARE PRODUCT AVAILABILITY

LOCAL AND INTERNATIONAL REACH

EASY, SIMPLE AND EFFICIENT PROCESS

OUR PROMISE

At Green Trend Landscape, we offer the opportunity to create lively and picturesque landscapes. Our commitment lies in delivering only the best outdoor plants and trees, along with proficient services encompassing maintenance for residential and commercial clients.

We have established ourselves as experts in the art of sourcing rare trees and plants from across the globe. While we offer a wide range of readily available product, our true specialty lies in locating those elusive and hard-to-find botanical treasures. With unmatched efficiency, we take pride in our ability to procure rare trees as effortlessly as commonly requested ones.

Whether it is a unique species or a highly sought-after one, we have the knowledge, networks, and dedication to deliver exceptional botanical gems to our valued customers. Trust Green Trend Landscape to make your green dreams come true.

PROJECTS

Explore our impressive projects portfolio where we've taken on a diverse range of landscaping endeavors. We have had the privilege of leaving our mark on a wide range of developments, from residential and commercial spaces to governmental and educational institutions.

At Green Tend Landscape, we take pride in going beyond conventional landscaping practices. Our passion for botanical rarities and our expertise in sourcing rare trees and plants from around the world have allowed us to incorporate truly exceptional elements into our designs. From majestic and hard-to-find tree species to unique and exquisite plant varieties, our creations stand out as living works of art.

Each collaboration we embark on is based on trust, collaboration, and our unwavering green vision. We work closely with our clients to understand their aspirations and transform their spaces into sustainable landscapes that leave a lasting impression.

Our projects portfolio is a testament to our dedication, showcasing the harmony we have achieved between natural beauty and functional design. From stunning private gardens to iconic public spaces, each project reflects our commitment to sustainability, environmental stewardship, and the creation of captivating outdoor environments. Explore our portfolio and witness firsthand the transformative power of our unique approach to landscaping.
